CHARTING SUCCESS TOGETHER

NORTH COUNTY INC.

Small Business Navigator Program

- Connection to Resources
- Consulting
- Continued Support

A Perfect Partnership

North County Inc. is proud to partner with local municipalities, Chambers of Commerce, colleges, banks & funders, nonprofits and MORE -- all to empower small business owners to achieve their full potential.

We facilitate connections to resources that address and fill gaps that most small business owners face. This **FREE** service is available to all small businesses located in North St. Louis County regardless of race or gender.

Business Analysis

We start with a detailed business assessment to create a snapshot of where your business is now and what resources are needed.

Connection to Resources

Our experienced and connected Small Business Navigator will work with you to find the right programs, connections, and opportunities to help your business grow.

Continued Support

You'll never be left on your own. Your Navigator will continue to work with you offering additional assistance and measure success along the way.

Serving...

- All North St. Louis County businesses
- Minority & Women-Owned businesses welcome
- All stages of business, all industries
